

The Bayviewer

The Bayviewer Newsletter Ministry

Bayview Baptist Church

Striving for Excellence in Christian Service

The mission of ***The Bayviewer Newsletter Ministry*** is to be an extended arm of the Church by promoting, presenting, and highlighting members of the congregation and community. It is to inspire and create excitement in our Christian walk.

This Ministry encourages individuals to submit articles that inform others of activities that may not otherwise have been recognized and affords the various other Ministries to promote their events and membership drive. Recognition and promotion is not limited to the congregation but is a network of businesses and organizations in the community and world wide via the internet.

The Staff of this Ministry are dedicated Christian stewards, who strive for perfection and who donate their time and expertise to publish this newsletter magazine monthly. Membership is open to any congregant with *any* talents the Lord has laid upon them!

Under the leadership of Pastor Winters' teaching, we offer the *Bayview product* in the form of ***The Bayviewer Newsletter Ministry***.
