

The Joseph Lemon, Sr. Memorial Scholarship

has been established by the Scholarship Committee of Bayview Baptist Church to honor and remember Brother Lemon's life and legacy. His commitment, dedication, and generosity to youth is renowned throughout San Diego County. He understood the need for higher education for African Americans and other underrepresented youth, and was a strong advocate for providing financial and spiritual support to these groups. Brother Lemon was a founding member of the Bayview Scholarship Committee, which began in 1983.

“He was a teacher, who knew what was important in life and he taught it; at home, at church, and on the job.”
